We've created a simple online survey to help you report issues such as road repairs, damaged signs, or other county concerns. This survey ensures we collect the correct information from you so our team can respond quickly and effectively. By filling out the appropriate sections, you're helping us keep our community safe and well-maintained.

When submitting a report, please remember the following:

- If you are making a report, expand the "Reporting Person Information" section and complete your personal details.
- If you are reporting a road repair, expand the "If you are a Road Repair" section and provide the needed information.
- If you are reporting a road sign replacement, expand the "If you are reporting a Road Sign Replacement" section and fill out the necessary details.

Your input makes a big difference in keeping Bulloch County safe and running smoothly!
